

## English II summer reading

Ready for a tale of betrayal and revenge? *The Count of Monte Cristo* by Alexandre Dumas intrigues readers with a twisted plot against Edmond Dantès and his painstaking mission of revenge upon those who wronged him. This is quite a long book, so please get started early and buy the abridged version. I am sure that if you stick with it, you will be drawn in and take up arms with the victim-turned-avenger as he makes those who harmed him pay dearly.

**Warning:** the movie is QUITE different than the book.
